**Part III.**

- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.  
☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

/RACHEL T YOUNG/  
 Examiner, Art Unit 3771  
 /Justine Yu/  
 Supervisory Patent Examiner

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner suggested adding language to claim 1 that would overcome the prior art, including further defining a gas-treatment unit to include a heat and moisture exchanger element and that the gas-treatment unit is displaceable by rotation relative to a housing. Applicant called back to confirm the examiner's proposed amendments.
